

GOLD COAST CHRISTIAN CAMP

FACING YOUR  
GIANTS

Summer Camp  
2009

Your camper will love Gold Coast Christian Camp.

Spiritual lessons are drawn out of nature and activities that are fun and challenging. We create an environment where your camper can hear God speak to their heart. They will enjoy the natural surrounds of camp with the exclusion of electronics such as cell phones, and IPODs, and instead build relationships with others in small groups, on teams and one on one.

Along with the usual camp activities such as swimming, canoeing, archery, basketball and beach volleyball, they will be challenged both physically and spiritually on a ropes course determined by the age of the campers.

Experienced camp leadership has learned how to perfectly balance the fun and faith growing elements of summer camp. Your child will have fun, but more importantly, the spiritual impact of their camp will not be lost in the fun and goofiness. Volunteers who staff our programs are here because they love kids and they love camp. Many of them are former campers who have come back to help others grow spiritually as they did.
